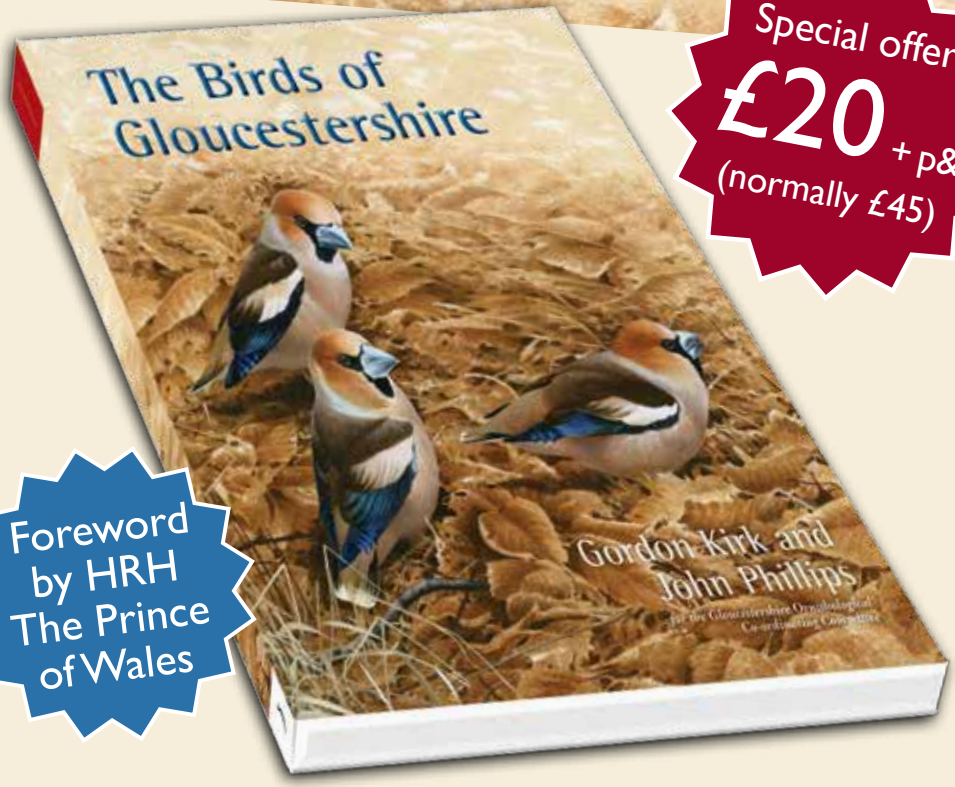
The Birds of Gloucestershire

PRE-PUBLICATION SPECIAL OFFER

Special offer £20 + p&p (normally £45)



Foreword by HRH The Prince of Wales

The most comprehensive account of Gloucestershire's birds ever produced.

Includes all the species that have ever been recorded in the county, with details of all rarities, and sites and dates of occurrence of passage migrants.

- Detailed maps for over 130 regular species, based on four years of atlas fieldwork
- Describes the bird habitats and the history of bird watching and conservation in the county; graphs, tables and statistics illustrate the patterns of occurrence of many species.
- 200 illustrations by some of Britain's most prominent bird artists, including Jackie Garner, Robert Gillmor, Terence Lambert, Peter Partington, Peter Scott and Keith Shackleton.
- Full colour photos throughout.
